

## 2019-2020 Broadway Science Fair Project Guidelines

(March 12, 2020 at 6:00 PM in the Cafeteria)

### Displaying the Project

1. Three sided, with each side approximately 2 feet.
2. Made from a durable material which is self-supporting such as cardboard from a large box, chipboard, etc.
3. Center panel should show the title of the project and any photos or drawings. Lettering should be clear and large enough to be seen from a distance.
4. Side panels should have the problem, hypothesis, procedure, results and conclusion. (See illustration below.)
5. In front of the display, the equipment used or samples of what was produced should be placed along with a journal.
6. A "Science Fair Project" form should be attached to each project.
